## Tascam M-512 12 Channel Mixer w/ Operations Manual - \$100 (NE Portland)

This is a 1970 Tascam M-512 12 Channel Analog Mixing Board

The 12 channels are organized in units of 4. When I purchased this unit there was some slight water damage to the 1-4 channel block. I don't have the time or experience to fix this so I am looking to sell it to someone who will get more use out of it than I can. Channels 5-12, all Busses, Auxiliaries, and Meters work perfectly fine. I also have the Operations Manual as well. This unit will be sold As Is. If interested please email me.
